If your offer is for a Medicine program, please visit <https://students.flinders.edu.au/my-course/placements/compliance/medicine> for additional important information on internships, quotas and visas.

#### ■ Criminal History Screening

All students at Flinders who are enrolling in courses with a clinical or placement component which may involve contact with children, young people and vulnerable adults are required to undergo a Criminal History Screening prior to undertaking any placement in order to meet placement agencies 'duty of care' to clients.
