Hello Gursimar Singh:

I anticipate you're excited to be #DalBound this September and I'm delighted to inform you that you have another reason to celebrate. We're pleased to offer you an entrance award for the 2020-2021 academic year. On behalf of Dalhousie University, please accept my congratulations! You should be proud of everything you've accomplished on your journey so far.

At Dalhousie you'll have many opportunities to build on your accomplishments, whether through research, collaboration with our instructors and industry partners, or by carving your own unique path. We hope you seize the opportunity to become part of the Dalhousie community, as it is students like you who bring diverse perspectives and rich experiences to our campus.

Here are the details of your entrance award offer:

- **A Dalhousie Entrance Renewable Scholarship valued at \$12,000.** You will receive \$3,000 per year for 4 years, provided you meet your renewal criteria. To view your renewal criteria, please log in to [Dal Online](#), select Awards & Financial Aid and then View My Student Aid.

This is your total entrance award offer for the 2020-2021 academic year. It replaces any offer you may have received previously. Additional terms and conditions related to your award are outlined at dal.ca/awardguide. Please review them before accepting your award offer.

You must accept your award offer by June 1, 2020 by logging onto [Dal Online](#), selecting Student Awards and Financial Aid and then View My Student Aid.

If you have any questions, please connect with the awards team by emailing awards@dal.ca. Once again, congratulations! I look forward to you joining us on campus this fall.

Sincerely,
