Dear Jubreen,

Congratulations, you have earned admission to the University of Arizona for **Fall 2021** as a(n) **Undecided** major in the **College of Engineering!** We are delighted to welcome you to the University of Arizona and invite you to join our Global Wildcat family.

In recognition of your demonstrated academic excellence, you have been selected to receive a Global Wildcat tuition award! You have been awarded a merit scholarship in the amount of \$5000 per academic year, beginning in Fall 2021.

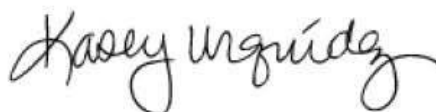

To confirm your enrollment, create your NetID+ login using the Student ID and PIN at the top of this letter. Once you have created your login, access the Next Steps Center at [nextsteps.arizona.edu](https://nextsteps.arizona.edu). Your Next Steps Center contains tasks to complete before you arrive, such as paying the enrollment fee, registering for Global Orientation, requesting your University of Arizona immigration document, applying for campus housing, and taking the placement tests.

As an international student, you must enroll in a minimum of 12 units every fall and spring semester. At least 9 of the 12 units must be in-person. Visit [global.arizona.edu/international-students/full-time-enrollment](https://global.arizona.edu/international-students/full-time-enrollment) to learn more about full-time enrollment.

All new international students are required to complete a 2-day Global Orientation program before registering for classes. Visit [global.arizona.edu/international-students/undergraduate-students](https://global.arizona.edu/international-students/undergraduate-students) for more information.

The University of Arizona is proud to offer you internationally ranked academic programs, unmatched value for your education dollar, and a campus community where the quest for academic and personal excellence is a way of life. We encourage you to become a Wildcat today and look forward to seeing you on campus!

Sincerely,

Dr. Kasey Urquidez
