Dear Akashpreet,

CONGRATULATIONS! Undergraduate Admissions is pleased to issue you this conditional Offer of Admission.

Program of Study: Bachelor of Engineering - Aerospace Engineering

Term of Admission: Fall 2020

Level of Entry: Level 1

Attendance Status: Full Time

SIGNIFICANT DATES: To reserve your space in the program, all conditions, including Confirmation and Tuition Deposit Conditions must be met by the dates specified below.

- 1. Confirmation Deadline:** [February 28, 2020](#)
- 2. Tuition Deposit Deadline:** [June 04, 2020](#)
- 3. Admission Condition Submission Deadline:** [July 06, 2020](#)

Admission Condition(s) - You have been approved on the condition(s) that:

- you successfully complete your All India Senior Secondary School Certificate with a strong overall average and grades of 65% or higher in each of: Mathematics, Physics, Chemistry, and English.

- you present proof of English Language Proficiency at a satisfactory level for this program. Directions for submitting an English Proficiency test can be found at this website ryerson.ca/admissions/undergraduate/requirements/english-language.

Please be advised that you will likely be aware of your final results before they are obtained by Ryerson University. If you determine that you have not met the conditions of this Offer of Admission, or if you have general questions please contact Engineering Admissions at askeng@ryerson.ca.

We would love for you to make Student Housing your home at Ryerson! Residence applications are due by June 1, 2020. Please visit ryerson.ca/housing/future-students/applying/ for the Residence Application Form and other details.

First-Year Engineering Students: Please refer to the [First-Year Engineering Office](#) web page for more information on orientation and transition events, First-Year Ambassadors, Math Mini Course, and other ways to get involved.

This Offer is valid only for the Term of Admission specified above and may not be deferred to another term. To reserve and maintain your admitted status, you must follow the essential steps that are outlined in the section, "**CONFIRMATION, TUITION DEPOSIT AND ADMISSION CONDITION(S) INSTRUCTIONS**" that follows.

Confirmation, Tuition Deposit and Admission Condition(s) Instructions

To reserve and maintain your admitted status, you must follow these essential steps.

1. Confirm this Offer of Admission (accept or decline) by the specified Confirmation Deadline.
2. Pay your Tuition Deposit correctly and by the specified Tuition Deposit Deadline.
3. Prove you have met your Admission Condition(s), as applicable, by the specified Admission Condition Submission Deadline.

1. How to Confirm This Offer of Admission (Accept or Decline)

This Offer is time sensitive. To accept or decline this Offer, you must complete the online **Submit** process by **February 28, 2020** or this Offer will expire and become invalid. To accept or decline this Offer, log into your [Ontario Universities' Application Centre \(OUAC\)](#) online application using your OUAC Profile username and password and follow the instructions. Once you have successfully completed the **Submit** process, the OUAC will provide a Confirmation Number.

When you accept this Offer, you are agreeing to meet all conditions as stated in this Offer. If you are unable to respond online, you may call Ryerson University at 416-979-5036 for instructions. NOTE: Confirmation of this Offer of Admission does not prevent you from being considered for or receiving an Offer to another undergraduate degree program at Ryerson or elsewhere. An applicant may hold only one accepted Offer of Admission at a time. Before you can accept a subsequent Offer online, you must first cancel a previously accepted Offer.

2. How to Pay the Tuition Deposit

- Visit our [Approved Students](#) web page and see "Step 2" for further details (includes refund schedule).
- Tuition Deposit Amounts: full-time program \$600.00.

Ryerson strictly enforces payment deadlines. Your tuition deposit payment confirms your intention to attend. If you accept this Offer, your payment must be made on or before **June 04, 2020** otherwise this Offer will be cancelled. Please note: do not submit your payment before May 15, 2020. For details about payment methods visit [Fee Payments](#). Your tuition deposit represents a portion of your full fees. Visit our [Fees](#) page for additional information about full fees. Full payment of undergraduate tuition fees for the fall 2020 term will be due September 11, 2020.

3. How to Prove You Have Met Your Admission Condition(s)

- Visit our [Approved Students](#) page and see "Step 3" for further details.

By **July 06, 2020** Undergraduate Admissions must receive the documentation that proves you have met your admission condition(s). It is your responsibility to ensure that your admission condition(s) are met on time and that the required documentation is submitted/received on time. This Offer will be revoked if you do not meet your admission condition(s) and/or if the required documentation is not received as specified.

Other Important Notes

Learn More about Scholarships

Ryerson University Offers a range of scholarship opportunities, including general entrance scholarships, International Secondary School Merit Scholarship, the President's Entrance Scholarship and more. For Entrance Scholarships terms and conditions as well as information about scholarships that require a separate application visit [Scholarships and Awards](#).

Access Class Schedules, Enrolment and Timetables

Class schedules and elective courses are available to confirmed students in August via Ryerson's Administrative Management Self Service (RAMSS). You can log into RAMSS, select "Enrolment Dates" to check when you can add, drop, and swap classes and view your class schedule by selecting "My Class Schedule" in the Academics section. Newly approved undergraduate program students without a complete schedule must create their own in RAMSS.

Ryerson University Policy Information

Ryerson University reserves the right to withdraw this Offer of Admission (may include residence, scholarships or bursaries) if you do not confirm by the specified Confirmation Deadline, do not pay your tuition deposit as required, or do not enrol and attend class as required. When you accept this Offer, you accept Ryerson's academic, financial, and other policies and procedures as stated in the [Ryerson Undergraduate Calendar](#).

Dear Akashpreet,

Congratulations on your admission to the Bachelor of Engineering - Aerospace Engineering program for Fall 2020! This is quite a significant accomplishment. Your Offer of Admission includes specific information about any conditions applicable to your offer, including deadlines and confirmation procedures. Please read it carefully.

Your choice of engineering as a career is commendable. Engineering is a fulfilling and rewarding profession with employment opportunities in the corporate, manufacturing, governmental and service sectors. An education in engineering allows you to use your ingenuity to design and develop devices, processes and services that benefit humankind. From the homes and buildings we live and work in, to the communication and transportation systems we depend on, engineers keep our world turning.

You have made an excellent decision by choosing Ryerson University for your post-secondary studies. All eight of our engineering programs are fully accredited by the Canadian Engineering Accreditation Board, which means our graduates are academically qualified to become Professional Engineers (P.Eng.) in Ontario. When you graduate, you'll be knowledgeable in scientific and mathematical foundations, analytical tools, and advanced applications of engineering science. You'll learn how to use state-of-the-art engineering design techniques to solve real-world challenges. If you have startup dreams, our Optional Specialization in Engineering Innovation and Entrepreneurship can help you launch a technology venture with professional and industry mentors guiding you every step of the way.

Learning is a process that depends not only on your dedication and hard work, but also on a support system designed to help you succeed. Our faculty and staff are here for you. I invite you to visit ryerson.ca/feas/success to learn more about the remarkable services and resources we offer.

It is my pleasure to welcome you to your chosen program, to the Faculty, and to the Ryerson community. I look forward to greeting you in person in September.

Sincerely,

A handwritten signature in blue ink that reads "Tom Duever".

Dr. Tom Duever, P.Eng., FCIC
Dean

CONGRATULATIONS!
