Student number: [REDACTED]

Dear Anav Chug,

The University of Ottawa is pleased to inform you that you have been admitted to the following program:

**Honours Bachelor of Science
with Major in Computer Science
(Co-op)
2020 Fall Term
Offered in English**

Please read the information in the Terms and Conditions carefully. Your deadline to accept this offer of admission is April 1, 2020.

If you maintain an average of at least 82.5% (77.5% in Civil Law), you can receive a Merit Scholarship of \$1,000 per term (up to \$3,000 per year or \$7,000 for a four-year program) as soon as the second term of first year (if you have not received an Admission Scholarship) or in second year (if you have received an Admission Scholarship). For more information, please visit [Scholarships and bursaries](#), scroll down and click **Scholarships and bursaries for enrolled students**.

The Faculty of Engineering is the place to nurture your talent for innovation and design. Our vibrant and supportive community of enterprising students, professors and researchers share a passion for making the world a better place by challenging conventional thinking, finding solutions to real-world problems and launching smart businesses.

Engineering at uOttawa is the Maker hub of the National Capital Region and a major player in the area's high-tech sector, which boasts an applied-tech network. Our students thrive thanks to the right balance of theory and practice, made possible through our advanced prototyping and manufacturing facilities, competitive teams, entrepreneurship and design showcases, and connections to industry.

Studying at the Faculty of Engineering at uOttawa is a transformative and fulfilling university experience. Are you ready to join our community?
