Dear Aneesha Mahajan (179 [REDACTED]),

You have applied to the bachelor's program Computer Science and Engineering B at Eindhoven University of Technology (TU/e). We are happy to inform you that our Central Admissions Board has conditionally approved the level of your previous education to enter this program. Congratulations!

What are the conditions?

The conditions of the approval are:

The condition of your admission is that you gain the Standard XII diploma (academic stream) All India Senior School Certificate by the Central Board of Secondary Education with Mathematics as a mandatory final examination subject. All examination subjects must have the following scores: A1, A2 or B1. You need to take at least 5 examination subjects.

Please be aware that the admission -and selection procedure are two separate procedures!
The above mentioned conditions of the admission procedure MUST be met before the start of our academic year: 1 September 2022.

Next step: participating in the selection procedure

The bachelor's program Computer Science and Engineering B has a mandatory selection procedure. The next steps in this procedure are:

- Beginning February you will be contacted through email by the contact person of the bachelor's program Computer Science and Engineering B. Please check your mailbox regularly during this period so that you don't miss any emails from TU/e.
- You will be asked to participate in a selection test or activity. Full information on the selection test or activity will be given at that time. All tests and activities are designed so that students living both in and outside the Netherlands are able to participate.
- You will be informed by email on April 15 about the outcome of the selection procedure via Studielink.
- If you have been selected for a place on the bachelor's program, you need to accept this place within two weeks via Studielink. If you don't accept your place on time, another student will be given your spot.
- If you have accepted your place, our International Office will contact you in May by email with full practical information on how to confirm that you will enroll and also outlining the assistance offered to you by the TU/e.

Status in Studielink

Please be aware that your status in Studielink will be shown as "***The educational institution has yet to determine whether your previous education level is sufficient***" until we have seen your original documents in August and we have officially enrolled you. You don't have to worry about that.

Status in Osiris

Please be aware that your status in Osiris during the summer period will be shown as "***not complied with the registration requirement.***" until we have seen your original documents in August and we have officially enrolled you. You don't have to worry about that.

Any questions?

Do you have any questions regarding the selection procedure? Or would you like to know how other students experienced the selection procedure? Visit our [website](#) or email your question to
