### CONDITIONS OF YOUR ADMISSION

#### Submit Your Final Transcripts

Before you can start classes in the Fall, we need to receive your final high school transcript. International students should submit copies in English and the original language of instruction as well as any applicable graduation certificates or leaving exam results. Drexel University reserves the right to withdraw your offer of admission in the event that 1) you show a significant drop in academic performance, 2) you fail to graduate, or 3) you misrepresent yourself in the application process.

#### Notify Drexel of Disciplinary Actions

You are required to notify Drexel of any legal or disciplinary actions taken against you prior to enrollment. Drexel University reserves the right to withdraw your offer of admission in the event that the University learns that you have engaged in behavior indicating a serious lack of judgment or integrity prior to your enrollment.

### NEXT STEPS

Now that you have been admitted, there are some additional items you must complete before officially becoming a student at Drexel University.

#### Review Your Financial Aid Information

View the Financial Aid & Scholarships tab (</apply/status?cmd=second>) for the most up-to-date information about your financial aid applications, requirements, and awards. If you were granted any merit-based scholarships, affiliated scholarships, or need-based aid, the awards will be listed on that tab.

Confirm and reserve your place in the entering class by submitting a nonrefundable deposit by **May 1**.

### **Housing Deposit**

You must submit a \$200 nonrefundable housing deposit along with your \$300 tuition deposit.

### **International Students Visa Sponsorship**

Students without United States citizenship or permanent residence (also called a green card) will require a visa that permits them to study in the United States. Academic programs with a co-op component also require that the student's status permits them to work in the United States.

Drexel can support you in pursuing one of two types of student visas: an F-1 visa or a J-1 visa. If you have any concerns or questions about what type of visa you need in order to pursue your studies at Drexel University, please visit the International Students and Scholars Services Office website (<http://drexel.edu/iss/new-international-students/>) to learn more about different visa types. Please note that only those students who have confirmed their admission to Drexel can start the visa application.
