

U of T Applicant Number: 100887

Applicant Name: Anshika Kapoor

Congratulations Anshika!

You have been admitted to Co-op Life Sciences (Biological Sciences and Neuroscience) at the University of Toronto Scarborough for Fall 2022.

Terms and Conditions of your Admission to Co-op Life Sciences (Biological Sciences and Neuroscience)

You have been admitted conditionally. The University reserves the right to withdraw this offer if you do not meet any part of the following conditions:

- Respond to this offer no later than **May 01, 2022**.
- You must pay an admission deposit. Details are outlined in full in your admission letter.
- Maintain your current academic standing and achieve acceptable results in your final Class XII board examinations, particularly in any prerequisite subjects for the admission category to which you have been admitted. If you have already completed your studies, ensure your official documents are submitted as listed below.

Residence Information

If you're interested in living in residence, then you need to complete the StarRez application. Our residence is guaranteed provided the eligibility criteria are met. Login to StarRez (<http://residence.utoronto.ca>) for full details, including deadline and deposit information.

Additional Information

- If you have taken any Advanced Placement exams, Higher Level International Baccalaureate exams, GCE Advanced Level exams, CAPE (Caribbean Advanced Proficiency Examinations) or French Baccalaureate exams you may be eligible for transfer credit. You must arrange for the appropriate exam board to send your results directly to University of Toronto. For detailed information about document submission and transfer credits, please refer to <https://future.utoronto.ca/apply/transfer-credit-information/> (<https://future.utoronto.ca/apply/transfer-credit-information/>).
- If you have completed or are currently completing college/university degree level courses during high school, you may be eligible for transfer credit. To complete the required transfer credit application, and for information regarding the transfer credit process and submitting final official documents, visit <https://utsc.utoronto.ca/admissions/transfer-credits> (<https://utsc.utoronto.ca/admissions/transfer-credits>).

More About Your Offer

Congratulations on your offer of admission and welcome to U of T Scarborough! We invite you to visit **Next Steps to Inclusive Excellence** (<https://utsc.utoronto.ca/nextsteps>), a special website for admitted students like yourself. It will help you better understand your offer, next steps and opportunities you can take advantage of between now and September!

Meeting Your Offer Conditions

While we expect that you will be able to meet your offer condition, if there are extenuating circumstances impacting your ability to do so, and you wish to request an extension/provide an explanation, you must complete the Admission Condition Request Form (<https://apply.adm.utoronto.ca/apply/form?id=821625bf-dc8b-4d77-b742-43c3fd024bb3>) no later than seven business days prior to your offer condition date. Although we cannot guarantee approval, condition requests will be reviewed on their individual merits with each applicant's circumstances, overall academic record and program space availability being taken into consideration. The Admission Condition Request Form will be available as of May 1 to applicants who have accepted their offer of admission.

Submitting an Admission Decision Appeal

If you wish to appeal an admission decision you have received, you must complete the Admission Decision Appeal Form (<https://apply.adm.utoronto.ca/register/?id=fdda808f-978d-4b19-80a8-836c3af15c15>).

Need to put your studies on hold? Request a deferral.

If you are unable to begin your degree studies this fall, you may request a one-year deferral of your offer of admission. Deferrals are not guaranteed and will be reviewed on a case-by-case basis. Deferral requests that are approved will include deferral of eligible entrance scholarship(s) awarded – check the terms of your award for conditions and

eligibility – and the residence guarantee, if applicable. Ensure you have satisfied the conditions of your offer and paid the admission deposit (if required). Deferral applications will be available to students who have met all offer conditions, starting in July. We urge you to discuss your plans with the division to which you were admitted before submitting the deferral form.
