Student number: 30028____

Dear Aryan Jaiswal,

Congratulations! We are pleased to inform you that you have been admitted to the University of Ottawa in the:

**Honours Bachelor of Science
in Computer Science
(Co-op)
2022 Fall Term
Offered in English**

We ask that you carefully read this offer and respond by the prescribed deadline in order to secure your place in the program.

If you maintain a university average of at least 8.5 (approximately 82.5%) or 7.5 in Civil Law (approximately 77.5%), you can receive a Merit Scholarship of $1,000 per term (up to $3,000 per year or $7,000 for a four-year program) as soon as the second term of first year (if you have not received an Admission Scholarship) or in second year (if you have received an Admission Scholarship). For more information, please visit Scholarships and bursaries, scroll down and click **Scholarships and bursaries for enrolled students**.

The Faculty of Engineering is the place to nurture your talent for innovation and design. Our vibrant and supportive community of enterprising students, professors and researchers share a passion for making the world a better place by challenging conventional thinking, finding solutions to real-world problems and launching smart businesses.

Engineering at uOttawa is the Maker hub of the National Capital Region and a major player in the area's high-tech sector, which boasts an applied-tech network. Our students thrive thanks to the right balance of theory and practice, made possible through our advanced prototyping and manufacturing facilities, competitive teams, entrepreneurship and design showcases, and connections to industry.

Studying at the Faculty of Engineering at uOttawa is a transformative and fulfilling university experience. Are you ready to join our community?

The University guarantees you a room in residence. In order to hold your room, follow the instructions on the Housing Portal and be sure to pay the housing deposit by the deadline.

We will send you more information on course enrolment once you have accepted your offer of admission.

If you have any questions regarding this offer or about the University of Ottawa, do not hesitate to contact us at admissions@uOttawa.ca. In the meantime, check your emails as we will send you information on what's going on at the University.

We look forward to welcoming you as a University of Ottawa student!

Sincerely,

Jill Scott
Provost and Vice-President, Academic Affairs

Admission conditions

You have been admitted under the following conditions:

- You must obtain your secondary school diploma and successfully complete all prerequisites. You must send an official transcript with your final results, including proof that you have received your secondary school diploma, either by mail to 75 Laurier East, Ottawa, Ontario, Canada, K1N 6N5, or by email sent directly from your school at admissions@uOttawa.ca by July 15, 2022.
- You must maintain a minimum final admission average of 80% by July 15, 2022.

The University reserves the right to withdraw this offer if the admission conditions are not met.

Additional information

This offer of admission is valid only for the program, the year and the term indicated on the offer of admission.

- If you are an Ontario resident, as defined by the Ontario Student Assistance Program (OSAP), and you need assistance paying for your education, OSAP may be able to help. Learn more about OSAP, including how much assistance you can receive and how to apply.

Respond to your offer of admission

Accept or decline your offer before April 1, 2022, by clicking **Respond to your offer** at the bottom of your **Admission file**.

Disclaimer

The requirements, tuition fees, schedule, and course list for this program are subject to change without notice. Not all courses are offered every term and the number of places in each course is limited. Your place in any given course is not guaranteed. Courses may be delivered in person, through distance education, entirely online, or in any combination of these methods. Course delivery method(s) may vary from term to term without notice.

Release of liability

The University of Ottawa shall not accept liability toward any individual or group that suffers any loss whatsoever arising from errors,
