Dear Mihir,

Congratulations! On behalf of the University of Illinois at Chicago, it is my pleasure to offer you admission as a First Year student to the Computer Science program in the College of Engineering beginning in the Fall 2020 term. We commend you for your hard work and we are thrilled to welcome you to our diverse academic community at UIC.

As one of the top research-funded institutions in the world, UIC faculty actually discover what others teach. You now have the unparalleled opportunity to take advantage of the cultural, economic, and social opportunities with Chicago as your campus. From securing once-in-a-lifetime internships, to exploring world-class museums and engaging in true social change, your collegiate experience can be limitless. We hope you take advantage of this offer and join our community of scholars.

At this time, you have been categorized as an out-of-state student for tuition purposes in accordance with our residency policy. Please see our website if you have any questions.

Please provide your Intent to Enroll response by May 1, 2020. To accept the offer of admission, submit your response by logging into our student portal. Visit go.uic.edu/admitted for more information on completing your pre-enrollment steps. All admission offers are made on a provisional basis, and the offer can be rescinded at any point up to the first day of instruction of the admission term if deemed appropriate.

Your University ID Number (UIN): [REDACTED]

Again, welcome to the University of Illinois at Chicago! We look forward to having you on campus.

Sincerely,

Malinda Lorkovich
Executive Director of University Admissions
