Dear Sehnoor Singh,

Congratulations on your admission to Ontario Tech University. The details of your offer(s) are outlined below. If more than one program is listed below, only your first choice will appear in the accompanying document used for your study permit application.

**Program:** Bachelor of Engineering and Co-op (Hons), Software Engineering

**Faculty:** Engineering & Applied Science

**Entry Term:** Fall 2022

**Type of offer:** Conditional offer of admission

**Accept your offer no later than:** March 31, 2022

**Minimum final admissions average:** 80 per cent

**Prerequisites/equivalent courses:** English (minimum 60 per cent), pre-calculus, calculus, chemistry and physics. A combined minimum 70 per cent average in prerequisite math and science courses is required, with no grade below 60 per cent. Please see [ontariotechu.ca/prerequisites](http://ontariotechu.ca/prerequisites) for acceptable courses.

**Tuition deposit deadline:** June 10, 2022

**Residence guarantee deadline:** June 1, 2022 (visit [ontariotechuresidence.ca](http://ontariotechuresidence.ca) to apply)

*Broadening  
Students' Horizons*

## Co-operative Education

Congratulations on your acceptance to the Co-operative Education (Co-op) program. Co-op opportunities are available beginning in second year; you will be required to meet your faculty's eligibility requirements including achieving a minimum grade point average (GPA) and participating in a mandatory co-op preparation session.

## TOP FOUR WAYS WE WILL PREPARE YOU FOR SUCCESS

At Ontario Tech University you will find everything you need to succeed:

1. Our faculty members will provide you with an exceptional academic experience. Learn from award-winning professors who are experts in their fields and leaders of ground-breaking research.
2. You use program-specific and industry-relevant software. This integration ensures that you have the skills demanded by employers upon graduation. We are a leader among Canadian universities in providing students with a technology-enriched learning environment.
3. You are encouraged to put what you learn into practice. You will apply your knowledge and skills through our co-op, internship, practicum and research opportunities.
4. Our Student Life office will support your success in all facets: intellectual, emotional, social and physical. Learn more about the services available at [studentlife.ontariotechu.ca](http://studentlife.ontariotechu.ca).

Since our founding, Ontario Tech University's mandate has been to produce tech-savvy graduates who are adaptable to technological change. All students are required to bring a device which meets or exceeds the minimum hardware specifications required to run university provided software. For more information, please visit [itsc.ontariotechu.ca/tele](http://itsc.ontariotechu.ca/tele).

We invite you to visit the vibrant campus that will be the setting for your outstanding student experience. Come for a virtual tour of our award-winning campus locations and see our buildings, classrooms and residences. Arrange your virtual visit at [ontariotechu.ca/virtualtour](http://ontariotechu.ca/virtualtour).

## BECOME OUR NEWEST STUDENT!

### Reserve your seat

- Accept your offer to the university by using the Admissions Response Form on the Applicant portal ([ontariotechu.ca/mycampus](http://ontariotechu.ca/mycampus)) by the admission deadline specified above.
- Accept your offer and pay your deposit even if your offer of admission is conditional. This will hold your seat at the university and also allow you to register for courses.

### Conditional offers of admission

- If your offer is conditional, maintain the minimum final admission average stated above.
- Successfully complete all courses currently in progress, including program prerequisites.

### General admission considerations for all applicants

- If you have not satisfied the English proficiency requirement prior to Fall 2022, you must request approval to defer your application via [futureinternational@ontariotechu.ca](mailto:futureinternational@ontariotechu.ca).
- Submit all required final documentation as listed in your applicant portal. The deadline to submit all necessary admission documentation is August 12, 2022.
- You are responsible for arranging for all required documentation to be submitted directly to the university from the issuing institution.

If you have any questions about your offer of admission to the university, please visit [welcome.ontariotechu.ca](https://welcome.ontariotechu.ca).

You may also contact the admissions team at [futureinternational@ontariotechu.ca](mailto:futureinternational@ontariotechu.ca).

Congratulations on becoming our newest student! We look forward to welcoming you to campus.

Sincerely,

Adam Wingate  
Manager, Admissions  
Encl.
