Dear Surleen,

Congratulations! I am pleased to inform you that you have been admitted to San José State University, the Most Transformative University in the nation ranked by Money magazine!

Welcome to California's first public institution of higher learning, founded in 1857. At SJSU, you have the opportunity to join a community of scholars who are proud contributors to the spirit of innovation that characterizes Silicon Valley and our long legacy of social and civic engagement.

The decision to attend SJSU is the first step of a life-changing pathway to transform your future and a continuation in your journey of discovering who you are and your unique power to change the world for yourself, your family, and your community. At SJSU, you will learn from faculty members engaged in cutting-edge research who are respected leaders in their fields. As a member of our vibrant campus community, you will have opportunities for leadership, civic engagement and fun.

Enclosed you will find the terms and conditions of your admission along with instructions for accepting our offer of admission. Please read these documents carefully and follow the steps to enrollment. I encourage you to contact us at admissions@sjsu.edu if you have any questions or concerns.

The details of your admission, including the program to which you were accepted, are below:

Academic Plan:	Public Health (CIP Code: 51.2201)
Degree Program:	Bachelor of Science
Residency:	International (F1)
SJSU ID:	016365479

On behalf of SJSU, I want to acknowledge your hard work and commitment to achieving academic excellence. We hope that you will join us as a member of the Fall 2022 incoming class of Spartans. Should you choose to accept our offer of admission, you will become part of a community of individuals bound together by shared creativity, passion and resilience.

Sincerely,
