Dear Swastik,

I would like to congratulate you on your acceptance into the Bachelor of Science program in the Faculty of Science at Simon Fraser University. This achievement reflects your excellent academic record and our belief that you have made the right choice in selecting Simon Fraser University to undertake your study.

You are joining a University that has a vibrant student community and outstanding teaching and research faculty, many of whom are world leaders in their fields of research and award-winning instructors. We look forward to working with you and supporting your academic goals in Science and at SFU. Joining Simon Fraser University is an exciting milestone and I know you will find your time with us stimulating and rewarding.

I also appreciate that you have many decisions to make in the coming weeks and you will be seeking more information about the programs that are available to you in the Faculty of Science. If you have any questions I invite you to look at the information on our website (<http://www.sfu.ca/science/students.html>) and to contact our fantastic student recruitment liaison, Claire Wilson, at [science\\_recruiter@sfu.ca](mailto:science_recruiter@sfu.ca). Claire will be delighted to answer any questions you have about your next steps in the admissions process, course registration, and student life at SFU.

Once again, congratulations on your acceptance into the Science program and I very much look forward to seeing you on campus.

Kind regards,

Dear Swastik,

We are pleased to offer you admission to the Bachelor of Science, Data Science program, in the Faculty of Science. Your admission is for the Fall term beginning September 9, 2020. Congratulations on your achievement.

Please visit [www.sfu.ca/newundergrads](http://www.sfu.ca/newundergrads) to prepare for your first term including that important first step, accepting your offer. Your admission deposit is due May 1, 2020.

If you are not a Canadian citizen or a permanent resident, you must apply for a Study Permit (visa) in order to study in Canada. This offer of admission package will be required as part of the application. Please refer to [www.cic.gc.ca](http://www.cic.gc.ca) for details. Our offer of admission does not guarantee your admission to Canada or permission to remain in Canada. Adequate medical insurance is also required for the entire duration of your studies. Detailed pre-arrival information is available at [www.sfu.ca/students/isap/welcome.html](http://www.sfu.ca/students/isap/welcome.html).

We look forward to seeing you at SFU.

Yours truly,

Kathryn Verkerk
