Dear Rehaan,

Congratulations on your academic achievement! On behalf of the University of Victoria, I am pleased to offer you conditional admission to begin studies in September 2022.

This offer is conditional upon meeting the minimum standards (courses and grades) as outlined below under the Conditions of Admission section. It is your responsibility to ensure that all conditions of your admission have been met and that your required documents arrive in our office **by the deadline indicated on your application checklist** or this offer will be withdrawn.

On-campus accommodation is guaranteed for all new Year 1 secondary school students who are offered admission during their graduating year. Several conditions must be met by May 1 to take advantage of this opportunity. Please visit [Residence Services](#) for further information.

Please read this email carefully. The **Admission summary** and **Important notes** sections below provide all the details about the program you are being offered, as well as your current status and any conditions you must meet. Instructions listed under **Next steps** explain how to reserve your seat at UVic and get started with the registration process. If you have any questions about your offer, please contact me as soon as possible.

The faculty, staff and students at UVic hope that you will find your studies here both challenging and rewarding.

Sincerely,

Wei Marton

Admission Officer

Admission summary

Name: Rehaan Sharma
Entry Term: September 2022
Faculty: Engineering and CSc

Student Number: V0100XXXX
Year: 1
Program: Computer Science

Important notes

This admission offer is based on the information that you provided and is valid only for the entry term listed above. If you are unable to register and attend classes as intended, you will be required to submit a new application/documents and be re-evaluated based on the admission requirements at that time. **NOTE:** If you attempt additional secondary or post-secondary courses before you begin your studies at UVic, you must notify Undergraduate Admissions immediately and submit official transcripts for evaluation. Enrolling in further studies could impact the validity of this admission offer.

To view the outstanding items on your admission checklist, login to [My UVic Application](#). Incomplete checklist items may affect your ability to register in courses that have specific prerequisites, your transfer credit evaluation, and/or fee assessment.

Conditions of Admission: You must achieve a minimum overall average of 80% with a grade of 80% in math and one lab science subject each on your CBSE/CISCE Class XII examination results or an overall average of 85% with a grade of 85% in math and one lab science subject each on all other recognized State Boards. Please forward your admit card and a copy of your Class XII results to Undergraduate Admissions at adms10@uvic.ca. If your Class XII results indicate you have not met the requirements or the required documents are not submitted by the deadline indicated on your admission checklist, this offer will be withdrawn.

Status of Your Academic Writing Requirement (AWR): Not yet satisfied. Most students will select ATWP 135, ENGL 146 or 147 to complete the Academic Writing Requirement. However, you may also benefit from registering in a preparatory class prior to completing your required course. For more information see www.uvic.ca/awr or consult your advisor.

Next steps

Your next steps and available resources can be found at [New undergraduates](#).

Start with letting us know if you plan to attend UVic. To confirm, you must [submit a \\$200 acceptance deposit](#) **no later than May 1**. Note that paying your deposit is the only thing you need to do to accept your offer.

The acceptance deposit must be received by the Tuition Fee Office before you can access the registration system. This deposit is **non-refundable**, however it will be credited toward your tuition fees. It can be paid via internet banking through your banking institution – set up the payee as *University of Victoria Tuition Fees* and the account number is your student number (V0XXXXXXX, as shown above). Additional payment options are outlined on the [Accounting Services](#) webpage. Tuition enquiries should be directed to tuition@uvic.ca or (250) 721-7032.

Registration for September and January courses begins in mid-June. You will be sent a pre-registration email with further information in late May provided that you have paid your acceptance deposit by the deadline. It is important to remember that enrolment in most courses is limited and that admission to the university does not guarantee registration in any specific course.

IMPORTANT: If you need to arrange for a study permit, we will send you separate study permit information by email once you have paid your \$200 acceptance deposit. Although it is usually non-refundable, please note that we will provide you with a refund in the event that you are denied a study permit by [Citizenship and Immigration Canada](#) (proof will be required).

This is your official admission letter and is only valid for the entry term indicated above.

A paper copy will not be issued. Please retain for your records.
