Dear Vanshraj Singh,

Congratulations, you have earned admission to the University of Arizona for **Fall 2020** as a(n) **No Major Selected** in the **College of Engineering!** We are delighted to welcome you to the University of Arizona and invite you to join our proud Global Wildcat family.

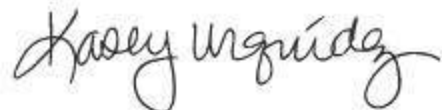

To get started, create your NetID+ login using the Student ID and PIN at the top of this letter. Once you have created your login, access the Next Steps Center at nextsteps.arizona.edu. Your Next Steps Center contains tasks to complete before you arrive, such as paying the enrollment fee, registering for Global Orientation, requesting your University of Arizona immigration document, applying for campus housing, and taking the placement tests.

As an international student, you must enroll in a minimum of 12 units every fall and spring semester. At least 9 of the 12 units must be in-person or hybrid. Visit the Immigration page at global.arizona.edu/international-students/full-time-enrollment to learn more about full-time enrollment.

All new international students are required to attend a 2-day Global Orientation program before registering for classes. Visit the New Students page at global.arizona.edu/international-students/undergraduate-students for more information.

The University of Arizona is proud to offer you internationally ranked academic programs, unmatched value for your education dollar, and a campus community where the quest for academic and personal excellence is a way of life. I encourage you to become a Wildcat today and I look forward to seeing you on campus!

Sincerely,

Dr. Kasey Urquidez
Dean, Undergraduate Admissions

Please note: Your admission is valid only for the term indicated. If you are unable to attend for this term, you must submit a new application.

Dear Vanshraj Singh Chawla,

Congratulations, in recognition of your demonstrated academic excellence you have been selected to receive an International Tuition Scholarship at the University of Arizona! You have been awarded a scholarship in the amount of **\$35000** per academic year, beginning in Fall 2020.

The terms and conditions to receive your scholarship are as follows:

- Recipients must be an undergraduate student.
- Students must pay the enrollment fee as soon as possible.
- Students must complete a minimum of 30 units at the University of Arizona each academic year and register for a minimum of 12 units each fall and spring semester.
- Students must maintain a cumulative grade point average (GPA) of 3.00.
- The award will be distributed after the student has enrolled in full-time (12 or more units) coursework for the fall or spring, with half the scholarship amount allocated to each term.
- The award can be utilized for a maximum of 4 years (eight consecutive semesters) of attendance for freshmen, or until first Bachelor's degree program is completed, whichever occurs first, provided renewal criteria are met each year.
- Awards do not cover summer session or winter intersession courses.
- The International Tuition Scholarship cannot be used to pay the enrollment fee.
- This award is for non-resident tuition only. If you are receiving multiple scholarships from the University of Arizona (for example, the Arizona Sonoran Tuition Award or a departmental award), the higher valued award will apply instead of the International Tuition Scholarship.
 - If you become a resident of Arizona, your scholarship will be adjusted to cover a proportional amount of resident tuition.
- If you are a government sponsored student who is funded for the second year and on, this award is only valid for the first year.

You will be required to attend a mandatory meeting for scholarship recipients during International Student Orientation. The meeting will provide important detailed information regarding your tuition award and renewal. Your student bursar's account will be credited with the award after you have registered for a minimum of 12 units.

If you do not wish, or are unable, to accept this scholarship, please send an email to parveza@email.arizona.edu

Sincerely,
Akhtar Parvez
