

June 05, 2020

Mr. Vanshraj Singh Chawla

Amritsar, Punjab
India

Dear Vanshraj Singh:

Congratulations! The Purdue University Admissions Committee is pleased to offer you admission to First Year Engineering in the College of Engineering at West Lafayette for Fall 2020.

As an admitted student, you may visit purdue.edu/YoureABoilermaker to activate your online career account with your 10-digit Purdue University ID (PUID) and career account set-up password, both of which are provided at the bottom of this letter. This website also provides information about important next steps and deadlines.

With your career account you'll gain access to your @purdue.edu email and online student portal, mypurdue.purdue.edu, through which you will conduct most of your business with Purdue. If you're a student with a disability and plan to request accommodations, please contact the Disability Resource Center at 765-494-1247 or drc@purdue.edu.

Please keep in mind that all Purdue admission offers are conditional, based upon the expectation that students will uphold the academic and personal conduct standards upon which they were admitted. The University reserves the right to rescind an admission offer if an individual's circumstances warrant.

Look for more information, both by mail and email, which will facilitate your transition to Purdue. On behalf of Purdue's faculty and staff, I welcome you to the Boilermaker community – we are here to support you every step of the way as you pursue your personal and professional goals.

Once again, congratulations. If you have any questions now or at any point during your transition to Purdue, don't hesitate to contact the Office of Admissions.

Sincerely,

Mitchell W. Warren
Director of Admissions
