Co-operative Education

Congratulations on your acceptance to the Co-operative Education (Co-op) program. Co-op opportunities are available beginning in second year; you will be required to meet your faculty's eligibility requirements including achieving a minimum grade point average (GPA) and participating in a mandatory co-op preparation session.

TOP FOUR WAYS WE WILL PREPARE YOU FOR SUCCESS

At Ontario Tech University you will find everything you need to succeed:

1. Our faculty members will provide you with an exceptional academic experience. Learn from award-winning professors who are experts in their fields and leaders of ground-breaking research.
2. You use program-specific and industry-relevant software. This integration ensures that you have the skills demanded by employers upon graduation. We are a leader among Canadian universities in providing students with a technology-enriched learning environment.
3. You are encouraged to put what you learn into practice. You will apply your knowledge and skills through our co-op, internship, practicum and research opportunities.
4. Our Student Life office will support your success in all facets: intellectual, emotional, social and physical. Learn more about the services available at studentlife.ontariotechu.ca.

Since our founding, Ontario Tech University's mandate has been to produce tech-savvy graduates who are adaptable to technological change. All students are required to bring a device which meets or exceeds the minimum hardware specifications required to run university provided software. For more information, please visit itsc.ontariotechu.ca/tele.

We invite you to visit the vibrant campus that will be the setting for your outstanding student experience. Come for a tour of our award-winning campus locations and see our buildings, classrooms and residences. Arrange your visit at ontariotechu.ca/tours.

BECOME OUR NEWEST STUDENT!

Reserve your seat

- Accept your offer to the university via the Ontario Universities' Application Centre (OUAC) website by the date listed above.
- Submit your \$500 non-refundable deposit online at welcome.ontariotechu.ca by the deadline date.
- Accept your offer and pay your deposit even if your offer of admission is conditional. This will hold your seat at the university and also allow you to register for courses.

Conditional offers of admission

- If your offer is conditional, maintain the minimum final admission average stated above.
- Successfully complete all courses currently in progress, including program prerequisites.

General admission considerations for all applicants

- Provide proof of English language proficiency. Learn more at ontariotechu.ca/elp.
- Submit all required final documentation as listed in your applicant portal. The deadline to submit all necessary admission documentation is August 12, 2022.

If you have any questions about your offer of admission to the university, please visit **welcome.ontariotechu.ca**.

You may also contact the admissions team at futurestudent@ontariotechu.ca.

Congratulations on becoming our newest student! We look forward to welcoming you to campus.

Sincerely,

Adam Wingate
Manager, Admissions
Encl.
